Dear Sir/Madam

Quantum has worked with NZFS on a number of projects in the last 5 years totaling over \$10 million, including over 7 no. fire stations Nationally which included 3 no. substantial new build fire stations, and the following most recent examples:

- East Coast Bays Fire Station - \$4Mil
- Takapuna Fire Station, 83 Wairau Road, Takapuna - new build \$4Mil
- Paihia Fire Station, 25 Selwyn Road, Paihia - new build \$1.3Mil
- Te Atatu Fire Station, Auckland - new build \$3Mil
- Mt Wellington Fire Station, Auckland – preliminary estimate
- Kawakawa Bay Fire Station – preliminary estimate
- Auckland HQ, Pitt St, Auckland – preliminary estimate

I have found Quantum to be very professional and reliable. They provide NZFS with a dedicated team who have high attention to detail and are able to identify potential issues and devise ways to mitigate potential conflict/claims.

I consider Quantum a dedicated company and have total confidence in their abilities. I have no hesitation in recommending them to any prospective corporation.

Yours faithfully
